The Consulate General of India,  
Johannesburg

The Federation of Indian Chambers of Commerce and Industry (FICCI), India is organising 5-days Training Programs for Business Persons under the India Africa Forum Summit (IAFS-III) as under:

<b>S No.</b>	<b>Name of the training program</b>	<b>Scheduled date of training program</b>
1	Water Audit and Rainwater Harvesting	18 <sup>th</sup> – 22 <sup>nd</sup> February 2019
2	Energy Efficiency and Conservation	25 <sup>th</sup> February – 1 <sup>st</sup> March 2019

2. The training programmes are designed to provide the participants with hands-on-training on water and wastewater management and energy efficiency and conservation. The training would involve interactive sessions, presentations, documentary films, case studies, group exercises, site visit etc. Upon successful completion of the training a “Training Certificate” would be issued to the participant jointly by the FICCI and the Ministry of External Affairs, Government of India.

3. The focus group for the training programs includes Business Persons/Professionals from the organisations engaged in the area of Water/Energy Management like Government Organisations; Regulatory Authorities; Industries including SMEs; Technology suppliers; NGOs; R&D; Associations; Academicians and other stakeholders. Selected candidates for training would be provided economy class air-fare, boarding/lodging and airport pickup-drop by the Government of India.

4. The Consulate General of India, Johannesburg requests you to share this among your databases to enable interested candidates to apply for the above mentioned training programme. Details of the objectives, programme theme, eligibility criteria of participants and application form are enclosed.
